What are Chatter Groups?

**Answer:**

Explanation:

See the answer below

Explanation/Reference:

Explanation:

Chatter groups let you share information with specific people. For example, if you're working on a project and want to share information only with your team members, you can create a Chatter group for your team.

Chatter groups include a list of members, a Chatter feed, and a photo. You can create the following types of Chatter groups:

\* Public: Anyone can see the group's updates, but only members can post updates. Anyone can join a public group.

\* Private: Only members can see and post updates. The group's owner or managers must add members.
