NEW QUESTION: 3

A travel company has created a business process scorecard for its Rewards points redemption process, which has five steps. The scorecard works properly, but the program director wants the scorecard to only show results from the United States, as the program had not yet been launched in other countries. The analyst edited the scorecard to use the "Geography" report group and the "Registration: Country-USA" dimension, as follows:

However, upon saving the edited process scorecard, three of the steps are now missing. What must the analyst modify?

- A. Create a new scorecard; do not edit an operational scorecard.
- B. Adjust the Grades to accommodate the report group.
- C. Change the Permissions for the scorecard.
- D. Add the Geography report group to the events missing from the scorecard.

Answer: D
