NEW QUESTION: 3

You are in a project to create a Website. Your project team has met a few times and you're working with them to develop the project's WBS. Jan, a marketing expert, is in disagreement with Larry over how the Website should function. Gary and Gina are in disagreement over who'll take the lead on the design of the software for the Website. Mark, Mary, and Martha are all bickering about the photo management approach for the Website's pictures. What stage of team development is your project team currently in?

- A. Norming
- B. Storming
- C. Forming
- D. Performing

Answer: B

Explanation:

Explanation/Reference:

Explanation:

Answer option C is correct.

When the project team is in arguments and competition for who'll lead different portions of the project, it's called storming.

Answer option B is incorrect. Forming is when the project team first comes together and gets to know one another.

Answer option D is incorrect. Norming happens once the project team settles into their roles.

Answer option A is incorrect. Performing is when things have calmed on the project and people are going about the business of completing the project work.
